At a decade of age, this Lessona still has some healthy, dry tannins and bright acidity, married nicely with mature fruit. Long, rather mineral finish. Drink or hold.

Quite a challenging, earthy and mature Lessona. Serious with elegant tannins on the medium-to full-bodied palate, but then a slightly tart finish. Much better drunk with food than by itself. Drink now.

Although it's now coming up for nine years of age and there's a hint of Amontillado-sherry-type character in here, this has both nice richness and rather silky tannins. Drink now.

A bold and ripe Piedmont red with some serious dry tannins. Rather simple and not that much fruit showing, but this should do well with hearty, autumn and winter dishes. Drink now.
